

Paschendaele Klassy Girl

Paschendaele Klassy Boy

Some exciting new arrivals at Paschendaele with four imported embryo Heifers and one Bull. Two Heifers and a Bull from the USA out of Stillmore BBK Klassy Ex 94 x Palmyra Tri Star Burdette. In Partnership with Vince and Sheridan Steiner of New Zealand one Heifer from Brookview Secretive EX (Craigmyle Grand Secret EX6) and one Heifer from Brookview Flame EX2 both by Palmyra Tri Star Burdette. Paschendaele is one of a number of Australian Breeders with imported embryo progeny on the ground. As a Breed we look forward to seeing how they all develop in the next few years. (Information supplied).

NSW Calf Show

At the 2012 New South Wales Branch State Calf Show a milestone was achieved when 100 animals were entered for the 29th Show. It was very exciting to think that our minority breed not only conducted the longest running calf show of the dairy breeds, but also boasted outstanding support from exhibitors, members and fantastic sponsors.

Mr Rob McIntosh from Berry NSW presided over the event and in many classes there were up to 17 entries. There were quality animals all the way down the line and a great day was had by everyone.

We had many fantastic sponsors on the day including Pfizer Animal Health (Greg Duncan), Crazy Cow, Pete's Dairy Supplies, Ridley Agri Products, Taree/Wingham Produce, J & J Eagles, Farm Services Windsor (Warren Baldichinno), Semex and Agvantage.

2013 will see the NSW Calf Show celebrate its 30th Anniversary. Another huge achievement for a breed considered to be a minority. During this time Hurlstone Agricultural College has been a most generous host in offering its school grounds to the exhibitors of the show. Thanks goes out to all that have been involved with the school during this time. Without Hurlstone we doubt the show would have continued to be the resounding success it has grown to become.

Our judge this year will be Mr Jamie McQuat from Mapleburn Ayrshires in Canada.

Come along and join in the great day that the show has become on
Saturday 14th September, 2013 from 9am. Everyone is most welcome.

Entries close 1st September, 2013

Celebrates 30 Years

Ayrshire Australia NSW Branch

JUDGING SCHOOL

12TH & 13TH October, 2013

At Hurlstone Agricultural High School

LIVESTOCK AND BUSINESS CENTRE LIMITED

ABN 27 003 186 847

The Livestock and Business Centre operates to provide a service for the development of a Database for Registrations and all relevant information relating to the pedigree of animals, together with Secretarial and Accountancy Services.

The Centre was setup as a Not for Profit Business in 1986 and is presently owned by 4 Breed Organizations namely, Ayrshire Australia Ltd, Illawarra Cattle Society of Australia, Guernsey Cattle Society of Australia and the Australian Pig Breeders Association. The Head Office is situated at Kiama, New South Wales. The management of the Centre comprises of a Director Representative from each of the 4 Owners, also with an alternative Director in the event of an absentee, and an Office Staff of 2 permanent employees. Anne Ryan is the Federal Secretary for Ayrshire Australia Ltd and Janelle Johnson is the Breed Registrar (pictured below).

The Centre has provided services for all types of animals such as Dairy and Beef Cattle, Pigs, Horses and Goats and can cater for any group who require a record of their progeny.

The Office is totally computerized, capable of producing Pedigree Certificates with selected setups and photos if required, Herd Books, Newsletters, Secretarial and all Financial Reports, including Profit and Loss and Annual Summaries.

The Livestock and Business Centre invites inquiries from interested groups to have their animals recorded or who require Secretarial and Financial Services.

Inquiries can be made to Anne or Janelle on the contact detail below.

World Dairy Expo 2012

Brett Hayter

We left Sydney airport on the 29th of September for a 14 hour flight to Los Angeles. The kids were hoping not to have to sit next to their father as they wanted to watch lots of movies and Brett has never watch a whole movie in his life and would want to talk to them. We had a 3 hour stop over and then a 4 hour flight to Chicago and lost 2 hours in the time changes. Then, a 40 minute flight to Madison arriving at 1 am. It had been 24 hours since we left Sydney so we needed to sleep. The World Dairy Expo didn't start for another day so we had a day to recover. Monday we spent the day in the city of Madison, visited a great zoo (it was free) and sightseeing around the city and Mel tried to get us lost on the city bus system. Madison is built between two large lakes a very beautiful city. We visited the state capital in the centre of the city. President Obama was to visit Madison in two days later as part of the Presidential campaign so the city was in a buzz.

That night met up with Becky Payne and Arlene Crosser from USA Ayrshire Breeders Association and went for dinner. Joining us was Alex McCaig (Lashburn), Dave and Bonnie Bergeron (Dream Ridge), Harold Smith (Royalcroft) and John Patterson who had been to visit us in Australia 2 years ago.

Ayrshire Judging started on Tuesday at 7:30 am so an early start. The USA national anthem was played every morning before judging. It is great to see everyone stand and remove their hats the Americans are very patriotic. Judging was held in the coliseum a massive indoor stadium. The Expo has hundreds of commercial stands from all section of the dairy world.

The Ayrshire show had over 300 entries with 276 animals paraded. It was no surprise to see that Burdette and Reality heifers were at the top of the line in the young classes but the eventual Junior Champion of the show came from the spring yearling heifer a Poker from Gene Iager and Craig and Emily Walton (Top View Poker Verity).

She was a very balanced heifer with plenty of style. Incidentally she was the winner of the under 6 month's class in the world photo competition. The reserve heifer came from the same prefix but different owner by Bendig. Both heifers were from Ohio not that far from Wisconsin compared to the distance that many of the cattle had travelled to be at expo, namely California, Tennessee Maine and Quebec in Canada.

The intermediate show was outstanding with six milking classes making for the champion. Reality, BB Kellogg, Burdette, Trident and Modem won classes with the Trident daughter Four Hills Trident Snoopy winning intermediate, followed by BB Kellogg daughter Don Haven BBK Tipsy.

The cow show commenced with four year old class won by Magic Meadows BBK Alexis a well known Kellogg daughter. The five year old class was the pick of the milking classes with 16 entries. The winner was Sharwards Calimero Megan followed by Bar Vue Goldy ET (Kellogg).

The mature cow class was next and it became a competition between three cows. Sweet Pepper Black Francesca (BBK Kellogg) last year's reserve cow and 2010 champion. The well known cow Right Sagle T Harley and Steam Valley Wilton Magic Bri (Wilton) 2011 Champion cow.

It was eventually won by Black Francesca who went on to win grand and senior champion female for Beverly Donovan from 20 hours away in Maine. This cow also won the 6-7 years in milk in the world photo competition. The reserve cow was Sharwards Calimero Megan who sold in the sale the next night for \$15,000. Honorable Mention was Bar Vue Goldy owned by P&A Ayrshires Tom Kruse and Family (no not that Tom Cruise) This was a cow a little immature with a magnificent udder. I think we will hear a lot more of her. (Winners pictured here on the right.)

Sweet Pepper Black Francesca (pictured left) parading in the ring for her chance at winning Supreme Dairy Cow of the Expo.

It was a great showing with Palmyra winning Premier Breeder and Blackaddar BB Kellogg winning Premier Sire. Incidentally Kellogg won this award 16 years ago when we were in Canada 1996. Lyn Harbaugh was the judge and Chad Ryan his associate judge.

Of the daughters we saw Reality and Burdette were very popular with breeders and of course Poker. Calimero had left some great production long lasting cows. Modem was a bull that had a good show with daughters with first class udders. Bonnie Brae Ambush had daughters at the show which I really liked. After Ayrshire judging, Jersey and milking shorthorn heifers were judging was going well into the night.

The following day, Wednesday at 7:30 am Jersey and Shorthorn cows were judged and Brown Swiss heifers in the evening. One class of heifers had 52 in the ring.

The Ayrshire sale was held on Wednesday night with Lyn Lee (IDW 2012 judge) as auctioneer. Top price was the reserve champion cow selling for \$15,000. Thursday was the judging of the brown Swiss cows and Guernsey heifers and Fridays was Guernsey cows and red and white Holsteins. The red and whites was a magnificent show with Advent and Talent dominating.

Saturday we were back at the coliseum at 6:30 to be sure to get a seat for the Holstein judging which was an all day event. In the junior classes aftershock and fever were popular with aftershock winning both broad ribbons. In the milking classes it was no surprise that Goldwyn and Atwood were filling all the top places.

We were all anticipating some great classes of mature cows with cows such as Rocky Mountain Tal. Licorice (EX97) and Harvue Roy Frost (EX97) to enter the ring. However it was a very popular choice when the cow from Quebec RF Goldwyn Hailey was named Champion. A Holstein sale was held with a gross of \$1,490,000 and an average of \$33,000.

The supreme Champion of Expo was a special event with cows being introduced under spotlight with the Holstein cow receiving the crown. It was a dairy show with no comparison with over 70,000 visitors from all over the world and 2977 cattle stalled. It was great to meet up with old friends and make new ones.

Sunday we flew back to Chicago and it is easy to see why it is the busiest airport in the world when we spent an hour in the plane on the tarmac before we could enter the terminal. Having to run from one end of the airport to the other to catch our flight to L.A. Arrived in LA at 2am to find we had no luggage to collect, so we spent the next 24 hours in the same clothing. After leaving 2 degrees c in Wisconsin to 38 degrees in California it was a bit uncomfortable. The next 7 days was time to spend with Amy and Timothy visiting Disneyland (pictured below), Universal studios, Hollywood and Beverley hills and then the long flight back home.
